You got it. When I mentioned your name I could tell he got all shook up but I told him by just knowing you would not have him rocking in some jail house. But I sensed that he still had a suspicious mind. Trying to ease his thoughts, I told him that he & Rita should consider a vacation to Blue Hawaii. However don't stay at some heartbreak hotel in the ghetto. But before they went on that vacation that he should investigate the wonder of you. Charlie would never want you to wear his ring around your neck, he just wants you to let him be your teddy bear. Charlie is not some kind of hound dog so don't be cruel to him. So pick up the phone and call Charlie and ask are you lonesome tonight.

Bob

Charlie,

Just a clarification to my last email. I met Mike at Sam's Club. He told me he lived in Walker's Glen. I asked if he knew you. He said Yes and agreed with me that you and Chris are good people. Although he did say that you were a little crazy at times but hell, I already knew that. With all my Love,
Bob

I am proud to say I took basic training in the Army with Elvis and talked with him.
Thanks Bob
