Facebook Post to Pat Buchanan

Former FBI Director James Comey should receive the Patrick Henry Award for saving the nation from socialism at the least, and communism at the worst. For he was not a swamp dweller but a swamp drainer that was unpatriotically bit in the ass by a team of swamp serpents. We are now where they were on March 23, 1775 and I fear a war is coming. Not a war from the outside but a war from within and sides will need to be picked. I have dismissed all the media and as this being the Information Age, have dotted my own i(s) and crossed my own t(s) and know which side of the divide I will dwell on.

Patrick Henry Speech

St. John's Church, Richmond, Virginia

March 23, 1775.

"Give Me Liberty Or Give Me Death!"

"There is a just God who presides over the destinies of nations; and who will raise up friends to fight our battles for us. The battle, sir, is not to the strong alone; it is to the vigilant, the active, the brave. Besides, sir, we have no election. If we were base enough to desire it, it is now too late to retire from the contest. There is no retreat but in submission and slavery! Our chains are forged! Their clanking may be heard on the plains of Boston! The war is inevitable²and let it come! I repeat it, sir, let it come"..... Our brethren are already in the field! Why stand we here idle? What is it that gentlemen wish? What would they have? Is life so dear, or peace so sweet, as to be purchased at the price of chains and slavery? Forbid it, Almighty God! I know not what course others may take; but as for me, give me liberty or give me death!"
