### Hillary's High Crimes & Misdemeanors

Pat,

“When the people find that they can vote themselves money that will herald the end of the republic.” — Benjamin Franklin

Director Comey's October Surprise was necessitated due to the failure of the main street media to acknowledge Assange's October Surprise WikiLeaks. Here is what I think transpired, To preserve the republic by preventing Bernie Sanders from becoming our next President who would be elected by the hand me free money folks and turn our country into a Socialist State. a deal was struck by Bill Clinton, Loretta Lynch, and Director Comey not to indict Hillary. Director Comey agreed but said I believe there is enough evidence to indict Hillary, I'll do it to save the Republic, but I will do it my way. So July 5<sup>th</sup> Comey takes center stage and cites every possible reason that Hillary should be indicted thus handing the Trump campaign every talking point they need to beat her, and then by not indicting her, keeps her in the race and Sanders out of the race. Comey basically cuts off Hillary's crooked head and hands it to Trump on a silver platter. Game should be over in a Bigly way. But the insecure/immature Trump, instead of putting her head in a locked closet, takes Hillary's crooked head up to his fourth grade playground in the Trump Tower and starts throwing mud at it. Hillary's people read Main Stream Media, highlights the insecure, immature, temperament of Trump and steals Hillary's head back and puts it on her making it look straight. Seeing that Hillary is still leading in the Polls with 11 days to go, Comey delivers the real October Surprise. Hope it works.
