

## 2/24/2017 Is Secession a Solution to Cultural War?

California's succession could be the end of Secularism's replacement of God and bring America back to being a God loving and a God Fearing Society. As God Destroyed Sodom and Gomorrah for being evil, (Genesis 19:23). The sun had risen on the earth when Lot came to Zoar. 24 Then the Lord rained on Sodom and Gomorrah sulfur and fire from the Lord out of heaven. 25 And he overthrew those cities, and all the valley, and all the inhabitants of the cities, and what grew on the ground. 26 But Lot's wife, behind him, looked back, and she became a pillar of salt. California has destroyed itself by putting itself above God. The challenge for the rest of us is that if the Left wants to leave, is to "let it be". For them to do this only enhances the process of Making America Great Again. By having California's succession be the first step of our protest against Secularism as our established religion, puts us on the path to again being one Nation under God. And if the succession of California is that first step on that path, then we should take it and never look back. For if we do not allow this first step, then we too will be encasing ourselves in a Pillar of Salt, leading us to immobilize the most noblest of our noble causes, that of truly being One Nation under God with Freedom and Justice for All.
