Is the Spectra of Trump Haunting Davos?

Pat with this article you again show the great Patriot and historian that you are. My beliefs.

A VICTIM is one that believes he should COEXIST with peoples that refuses to assimilate into his society and/or hate and attack his core values and his beliefs. However, does one's morality Trump one's exclusions? Well, not all MORALITY should or was ever kind, gentile, and turning one's cheek." Just ask the biblical Israelites as they walked across the parted sea. "Moses again stretched out his hand once the Israelites had crossed and the sea closed again, drowning the whole Egyptian army" With that biblical story, one has to doubt that the Egyptian Army had COEXIST bumper stickers on their chariots.
