

To Rand Paul 3/8/2015

Mark 8:36: For what does it profit a man to gain the whole world, and forfeit his soul? We are the soul of America. The little people, you remember us, the ones that can't buy a Politian. We are the ones that have to send our sons and daughters to die, or be mangled, or mentally damaged, against nations that don't hate us but do hate our relationships. We do not want war with Iran, or Russia, or Korea, or Syria and we did not want war with Iraq or Afghanistan. Any nation that asks us to do that, and ask us as a friend, may not be our friend.
